Profile Summary

I bring over 20 years of extensive experience across government agricultural offices and the private insurance sector. Throughout my career, I have gained in-depth expertise in agriculture, with a particular focus on natural resource management, crop production, and livestock development. My professional journey spans roles from officer level to director, showcasing my ability to lead and deliver results.

In the private insurance sector, I have played a pivotal role in the development and implementation of various microinsurance products and initiatives. These engagements have provided me with practical, hands-on experience and a nuanced understanding of microinsurance, particularly in agricultural contexts. This diverse and dynamic career has equipped me with a strong blend of technical expertise, leadership capabilities, and a results-oriented approach.
